

MARINE GLAZING SERVICES

OUR EXPERIENCE

Our experience guarantees highly **efficient**, flexible and **cost-effective** solutions, delivered in time and on budget, in compliance with project specifications and strict **marine standards**. We understand and prioritise all **health, safety and environmental** regulations that in-service and drydock projects require. Our skilled project management team works to **tight timelines**, always delivering to a **high standard**.

OUR COMPANY

Our company has been built on a firm foundation of **knowledge, expertise** and **innovation**, gained from years of experience in this fast paced and challenging working environment. We promise a **prompt, reliable and trusted worldwide service** delivered by highly skilled, specialist technicians who address the **entire process** of your marine glazing project, from survey to design and installation, always working closely with you to ensure the job is completed to **your satisfaction**.

“

WE UNDERSTAND AND PRIORITISE ALL HEALTH, SAFETY AND ENVIRONMENTAL REGULATIONS THAT IN-SERVICE AND DRYDOCK PROJECTS REQUIRE.
